

## Window Tint Information

If you have received a citation for ARS 28-959.01C:

1. The sanction is \$165.00. Complete option 1 and return the form with your payment in full.
2. If you remove the tint, the fine will be suspended by the court. The court requires the following:
  - A. Your completed Responsible Option 1 Plea form the Officer gave you.
  - B. Receipt if the tint has been removed professionally. The receipt must be dated, have the amount you paid, the vehicle description, and a description of the work performed.
  - C. Pictures from behind the car with the license plate in the picture, with the driver door and the passenger door open with the windows half way down. Look at your picture before you send it – can the court tell that the windows are half way down and that the tint has been removed?
3. However, if you choose to plead not guilty instead, complete Not Responsible Option 2 Plea form the Officer gave you and return it to the court. A Civil Traffic Hearing date will be set and you will receive a notice of the date you are to appear.

TO ENSURE THE MATTER DOES NOT GO INTO DEFAULT, THE COURT MUST RECEIVE ONE OF THE ABOVE OPTIONS NO LATER THAN THE APPEARANCE DATE LISTED ON THE CITATION.

It's a good idea for you to call the court after sending in one of the above options to ensure the court received your documents.

Should you have any questions, please contact the court.
